

EDUCATIONAL FICTION

NOT A MEDICAL DOCUMENT - TEST DATA ONLY

Import sample A

2026-01-10

Fictional profile: demo-parent-a

Glucose | 5.0 | mmol/L | 3.9 - 6.1

Hemoglobin | 140 | g/L | 120 - 160

Values and ranges are fictional fixtures for software testing.

They are not medical reference ranges or treatment advice.

Expected import: exactly 2 values, units unchanged.

Import the same file twice: do not create a duplicate document.

Do not infer a diagnosis or send real health records to an AI service.
